Statewide Email Distribution

The Statewide Email Distribution (SED) was created two years ago to keep members and advisers up to date about events. Information in the SED consists of PBL events in Missouri, deadlines, and tips for a great year. This is a great source of information for PBL activities and news events that happen in our state. Your adviser will be contacted with information on how to join the SED or you can contact me at nfender@hotmail.com.

National Leadership Conference 2003

The National Leadership Conference was held June 29-July 2 in Dallas, Texas. The state of Missouri won first place for the "Largest State Chapter Membership" and "State Recruitment of Local Chapters".
